### CHEAPER TRAINING

\*Early booking discounts are available on **all** our Open Courses  
visit [www.drugtrain.org.uk](http://www.drugtrain.org.uk) for details of offers and course information

**Ready to book your place?**

**Book online** or call **01226 738321**

**Alternatively we can bring any of our courses to your organisation...**

If you have a few people interested in our Open Courses it could work out more cost effective for us to bring the training to you. We can provide training anywhere in the country, reducing the carbon footprint as only our trainer will be doing the travelling. You also get the added benefit of the course content being localised to your area. Making it easier on your budget and the environment...[more info on our website](#)
